Calvert County Department of Public Safety to Hold Ribbon Cutting Ceremony for New Prince Frederick Volunteer Rescue Squad

PRINCE FREDERICK, Md. – Oct. 15, 2018 – The Calvert County Department of Public Safety will hold a ribbon cutting ceremony to celebrate the opening of the new Prince Frederick Volunteer Rescue Squad building. The ceremony will be held Tuesday, Oct. 23 at 3 p.m. in the new rescue squad building located at 755 Solomons Island Road S. in Prince Frederick.

The new \$7.5 million, 23,000-square-foot, state-of-the-art facility will house county volunteer rescue and emergency medical services personnel and will offer lounges, a commercial kitchen, watch room, training room, laundry facility and bunkrooms. The new building replaces the original Company 4 facility first built in 1971.

“The Prince Frederick Volunteer Rescue Squad has demonstrated a long-standing tradition of providing high-quality, 100 percent volunteer emergency medical services to the citizens of Calvert County,” said Calvert County Fire/Rescue/EMS Division Chief Jim Richardson. “This new state-of-the-art facility will provide the department with additional space, training areas and operational features that will further enhance Company 4’s ability to provide life-saving services to county residents.”
