North Beach Volunteer Fire Department

Professional Development Series

The NBVFD is hosting the following presentation as part of its continuing effort to improve the performance and professionalism of the volunteer fire service in Southern Maryland. The sessions are open to members of all ranks and time in service.

Saturday, December 12, 2026, 0900-1200
Brice Trossbach LODD
After Action Review and Improvement Plan Discussion
with Assistant Chief Lawrence Schultz, AACoFD

Assistant Chief Lawrence Schultz was the project lead for the after-action review commissioned after the June 27, 2023, death of NDW Firefighter Brice Trossbach at a house fire in Leonardtown, Maryland. The presentation will include a candid and frank discussion about the circumstances surrounding operations at the fire and Firefighter Trossbach's tragic death.

Assistant Chief Schultz's background includes 40+ years of experience in the fire service and emergency management. Chief Schultz was also the team lead for the after-action review and improvement plan commissioned by the Frederick County Division of Fire and Rescue Services after the 2022 LODD of Captain Joshua Laird.
